Tribute® Wrap

Promoting skin health with proven foam technology.

Tribute® Wrap is an adjustable compression garment with foam technology that nestles into the tissue to promote skin health.¹ It supports easy self-management of lymphedema and edema during low activity by comfortably adjusting to your patient's unique shape and lifestyle.

Off-the-Shelf

Evening & Nighttime

Low Activity

Indications

- Various stages of lymphedema
- Edema

Tribute Wrap helps maintain gains made during therapy, while allowing the flexibility to support further reduction. Simply slide it on, adjust the straps, and cover with Sleep Sleeve for comfortable evening compression.

[Explore the other great benefits of Tribute Wrap ▶](#)

**Easy-to-use
finger grip on
every strap.**

Simple adjustability
for the right fit
and contour.

POWERED BY  **coolcore**

Innovative interior fabric that rapidly wicks away sweat and moisture to regulate body temperature with chemical-free Cooling Power.

Proven foam technology

First-use chipped foam intended to create pressure differentials and promote a micromassage-type effect to break up and soften hardened skin or fibrotic tissue to support skin health¹.

Sleep Sleeve

Complimentary cover included with all* styles to ensure the straps don't get tangled in the sheets.

Tribute® Wrap Wrist to Axilla

Chevron channeling

Designed to align with MLD practices, encouraging lymph transport and the stimulation of superficial tissue.

Adjustable strapping system

Easily conforms for the right, comfortable fit, and has flexibility to support further reduction.

Supports mobility

Angled straps at flexion points for a comfortable and functional design.

6-month warranty

Tribute Wrap is guaranteed to be free of material and manufacturing defects for the six-month life of the garment.

“In the morning, I took it off and couldn’t believe the difference! I wondered if this was a fluke, but I’ve noticed the same results every morning!”

This is outstanding! It is easier to put on my daytime flat knit garments, and my legs have less fatigue throughout the day.

I am convinced Tribute Wrap does make a significant difference!”

John, Lymphedema patient
